### Project Summary

*Please provide a couple sentence summary of the proposal.*

Provides \$100000 for projects that arise due to emergency circumstances or are not able to apply through the regular R&E Grant process.

### Overall Project Goals

*Describe the primary goals or outcomes of the entire project, including elements not requesting funding from R&E.*

To have dedicated funds set aside that can be approved quickly for emergency situations to remedy specific situations such as emergency repairs or unanticipated projects.

### Primary objectives of R&E funding

*Please describe the measurable objectives for the R&E portion of the funding request.*

### Current Situation/Justification

*Please describe the current situation and explain why this funding is needed.*

For over a decade there has been a dedicated account of R&E funds for emergency projects that arise due to unforeseen circumstances, that happen between deadlines, are of a critical nature, are a result of an unexpected event, or are unable to be reviewed through a subsequent process. This ask continues the allocation of these emergency funds.
