Project Summary

Project Summary

Please provide a couple sentence summary of the proposal.

The money for is used to maintain the on-line R&E Grant Management system.

Overall Project Goals

Describe the primary goals or outcomes of the entire project, including elements not requesting funding from R&E.

To keep the on-line system intuitive for all users and to keep the system running and operating smoothly.

Primary objectives of R&E funding

Please describe the measurable objectives for the R&E portion of the funding request.

To keep the Grant Management System operating smoothly.

Current Situation/Justification

Please describe the current situation and explain why this funding is needed.

ODFW has in-house software developers but when they work on projects they must get paid for their time. These funds are earmarked for this purpose.

Recreation and Commercial Benefit

This project will provide benefits to:

Recreational fisheries
Commercial fisheries

Explain how this project will contribute to current (and/or potential) fishing opportunities, access, or fisheries management.

Having an on-line, web based tool that users can access and submit grants through creates a very diverse pool of projects for the R&E board to review. This diversity of projects helps ensure that projects are spread across the state on a multitude of projects.

Percent benefit split between Commercial and Recreational anglers:

10 % Commercial
90 % Recreational

Please explain, or justify, how the percentage split was determined:

This project has been identified as an ODFW priority for:

Statewide

Does this project directly support implementation of the ODFW Strategic Plan and/or current Fish Division priorities?

Yes

ODFW Strategic Plan. Goal #4 Invest in infrastructure that best supports our mission.

Please briefly explain when this was identified as a priority and what process or workgroup was used to identified this as an ODFW priority.

Identify any plan or other document that identifies this priority.

Is this project part of an approved Salmon-Trout Enhancement Program (STEP) activity?
