Project Summary

Project Summary

Please provide a couple sentence summary of the proposal.

Provides $100,000 for projects that arise due to emergency circumstances or are not able to apply through the regular R&E Grant process.

Overall Project Goals

Describe the primary goals or outcomes of the entire project, including elements not requesting funding from R&E.

To have dedicated funds set aside that can be approved quickly for emergency situations to remedy specific situations such as emergency repairs or unanticipated projects.

Primary objectives of R&E funding

Please describe the measurable objectives for the R&E portion of the funding request.

Current Situation/Justification

Please describe the current situation and explain why this funding is needed.

For over a decade there has been a dedicated account of R&E funds for emergency projects that arise due to unforseen circumstances, that happen between deadlines, are of a critical nature, are a result of an unexpected event, or are unable to be reviewed through a subsequent process. This ask continues the allocation of these emergency funds.

Recreation and Commercial Benefit

This project will provide benefits to:

Recreational fisheries
Commercial fisheries

Explain how this project will contribute to current (and/or potential) fishing opportunities, access, or fisheries management.

Percent benefit split between Commercial and Recreational anglers:

10 % Commercial
90 % Recreational

Please explain, or justify, how the percentage split was determined:
